

# HEALING FOR HAITI

For several years now, God has been calling UCI to move forward with a God-sized project to impact Haiti and give all the Glory to Him. So...

## We are raising funds for a new Teaching Hospital

### Objectives:

- Provide local care for 50,000 people who have little to no healthcare access.
- Provide a safe and quality learning environment for our medical students.
- Provide hands-on experience on how to share the good news of Jesus alongside quality healthcare.
- Provide a safe haven of quality education outside of the turbulent cities in Haiti.
- Conquer voodoo by choking out witchcraft with the medical hands and feet of our Great Physician

### Timeline:

- Dec 11: Campaign launch
- Jan 1: 40 Days of Prayer
- Feb 20: Pledges Collected
- Mar 1: Celebration Event
- Mar 15: Construction begins
- Nov 30: Construction completed

### Teaching Hospital Vision:

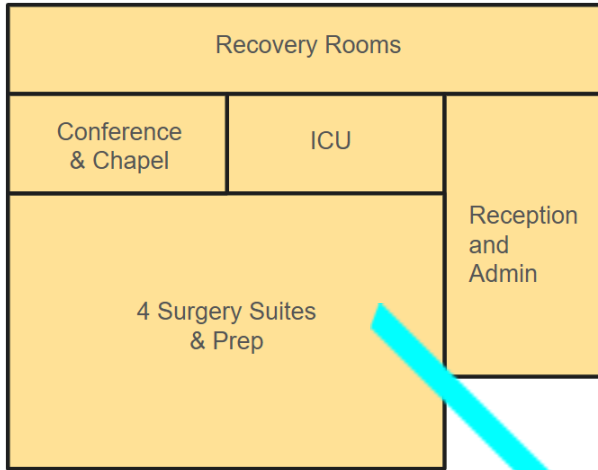

- 2019: Opened the Clinic
- 2020: Added the Dental clinic
- 2021: Teaching Laboratory, Ministry of Health recognizes UCI clinic as a health center
- 2022: Added the Nutrition clinic
- 2025: Surgery Center (largest and most important phase)
- Beyond 2025: To be a fully capable teaching hospital with 10 additional departments, added in God's timing

## Surgery Center = \$1,000,000

### Cost breakdown:

Rooms	QTY	~cost/ea
Surgical Suites	4	\$100,000
ICU	1	\$75,000
Recovery Rooms	4	\$50,000
Reception/Admin	1	\$50,000
Chapel	1	\$25,000
Standard Rooms / Offices	10	\$10,000
Equipment/Supplies		\$150,00
